Thank you. Wow. Dave Randall- I haven't heard from him in years. Did a bunch of work with him when Brenda Shine was also with RTI! I will have to catch up with him.

Jonathan,

Thank you! From reading through the notes,

That said, I feel like this has enough information

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP) I am sure that I knew this at some point in the past, but can you remind me how many years' worth of new facilities this release represents?

E.g., can we say that facilities new from mid-2015 to mid-2017 are covered in this report, so it should be about two years worth of our new-per-year estimates? Or something different.

Hi everyone,

Attached is a revised summary of affected facility counts from the OOOOa compliance reports. Note the new overall summary and a few observations on the first tab. I have not had much luck
